

Mayor Ethan Berkowitz
PRESS RELEASE

FOR IMMEDIATE RELEASE
October 13, 2020

ANCHORAGE, AK – Today, Mayor Ethan Berkowitz issued the following statement:

It is with profound sadness and humility that I resign as Mayor of the Municipality of Anchorage. My resignation results from unacceptable personal conduct that has compromised my ability to perform my duties with the focus and trust that is required. I know my conduct has done great injury to my family, my staff, to Municipal employees, and to the people of our community, and for that, I am deeply sorry. To make this transition as smooth as possible, my resignation will be effective Friday, October 23 at 6:00 p.m.
